

Celebrate My Gifts

Shining Star Scholarships

The **Celebrate My Gifts Quest** was designed to impact girls ages 8-12 by being a catalyst for them to discover in greater depth:

- * What their gifts, talents, and strengths currently are
- * Why they should appreciate and love who they are
- * How they bring value to themselves and others
- * When help from others enhances their chances for success
- * Where they can find resources as they grow into teens

This 1 ½-day action-packed event consists of seven activities specifically created to do just that and more. With a group of only 50 young ladies, focus is placed on making sure each girl's experience leaves her with a higher level of personal power, confidence, and self-worth.

The all-inclusive cost of this program is \$750 per girl. Our goal is to make it affordable for the girls' families. Although the application fee we are requesting is only \$100 per girl, even that sum is beyond the ability of some families whose girls would benefit most from this program. Please consider being a Shining Star by giving a full or partial scholarship that will provide a girl the opportunity to see first-hand just how extraordinary she really is. Scholarships will be awarded based on need. Once application fee needs have been funded, remaining dollars will be applied to the activities for these girls. Listed below are suggested levels of giving. Give whatever you can.

<u>AMOUNT</u>	<u>LEVEL</u>	
\$100.00	Tiger Eye	As a Shining Star , your name will be placed on a beautiful star that will be displayed at the event for both days. If you wish to remain anonymous, please let us know. We will still make a star so the girls see that people don't need to know you to help you succeed.
\$75.00	Blue Lace Agate	Please contact Stephanie McDilda, the Quest's Director of Shining Stars, with questions, at stephanie@flashpointinternational.com or visit our website: www.celebratemygifts.com to learn more about our Celebrate My Gifts Quest and to be a Shining Star to one or more girls.
\$50.00	Amethyst	
\$25.00	Obsidian	

If you or your business are looking to support this Quest on a sponsorship level, please contact Ann Jagger, the Founder of Celebrate My Gifts, directly at info@celebratemygifts.com.

We have sponsorship packages that will benefit you as much as your support will benefit these 50 girls.

Give Back to the Future
